To whom it may concern.

Nordic Flanges AB , Själevad, renewal of Approval of manufacturer-certificate AMM-7104.

Herby confirm that that the DNVGL Approval of Manufacturer process is currently underway in respect of the renewal of existing approval. The AMM-7104 certificate is still valid based on the information given in the certificate.

Expect that the renewal process to be completed during April 2019 and this letter is valid until end of May 2019.

Sincerely
for DNV GL Sweden AB

A handwritten signature in blue ink, appearing to read "Åke Brundin".
